

Get practical tips about online safety

Google and Parent Zone are running a series of live drop-ins about the digital world. We are seeing more and more instances of issues with children and their online safety and we are aware that you may want support or guidance with how to deal with your child and their online safety journey, so please access this support if you feel that you need it or want more information.

Free and easy to watch on YouTube, these short sessions are an opportunity to get tips about online safety – and ask experts anything you want to know.

Join in by clicking on the links in the table below.

We'll be running lots more digital drop-ins throughout 2021, so keep your eyes peeled for new themes as the year goes on.

To find the link to these parent sessions simply type in this link:

www.parents.parentzone.org.uk/dropins

The links to the videos will be available as you can see below, you simply click on the “tune in” button and it will take you to the video, for live events that have not happened yet you will have to click on the link at the correct date and time and you can tune in live and take part in a live chat with the presenters and other parents.

The first live event will be tomorrow (Wednesday 20th) at 4:30pm and there will be more to follow, or, you can tune in to the previous pre-recorded sessions and watch them back.
