Dear Parents and Guardians,

We are writing to inform you that recently, there was an attempted abduction of a child in the local area. No-one was hurt and the matter was reported to the police. However, it would be advised that you ensure that your child is collected and dropped off by a trusted adult over the next few weeks.

It is important to remember that these incidents are extremely rare, and that although this is concerning, it is very unlikely that a similar event would take place in the same area.

We would like everyone to review their own safeguarding arrangements for their child/ren so as to ensure that your mind can be put at rest, and that your child can attend school and have fun during the half term holiday, in a safe manner.

Please be reassured that we take your child's safety extremely seriously, and if you have any concerns, please don't hesitate to contact us,

Kind regards,

Brian Doherty
